OUR MISSION

The Kingdom Healthcare System provides free access to basic primary care for the prevention and treatment of chronic disease in medically underserved communities — a physical example of God's love through healthcare.

"Let your light shine before others, that they may see your good deeds and glorify your Father in heaven." — Matthew 5:16

OUR SERVICES

◆ **Basic Primary Care Clinic**

Our permanent clinic at 4025 E. Southcross opened in March 2026. Weekly clinics provide physical exams, prescriptions and screenings at no cost. No insurance required.

◆ **Diabetes & Chronic Disease Care**

Screening, diagnosis, medication and ongoing management for diabetes and the complications that follow it, including neuropathy and chronic pain.

◆ **Kidney & Heart Health Screening**

In partnership with the Texas Kidney Foundation, we screen for chronic kidney disease and markers of cardiovascular health.

◆ **Community Health Fairs & Outreach**

With partners like Community Bible Church and the Healthcare Collaborative, we bring care and awareness into the neighborhoods we serve.

Together, We Will Change Healthcare.
