

The Kingdom *REPORT*

HEALTHCARE SYSTEM

GREETINGS TO ALL!

By the Founders, Dr. Hussein Musa & Dr. Adetoun Musa

The Kingdom Healthcare System aims to provide affordable access to primary care to all people.

We have had an amazing year thus far. 2023 has been a year of divine connections and exponential growth. We are excited to announce our partnership with the WILDFIRE Network. (<https://www.wildfire.church>) We were able to complete their missionary training course and are better equipped to accomplish our mission of improving access to healthcare.

We are extremely grateful for our new partnership with the Texas Kidney Foundation. (<https://txkidney.org>) Together we will improve access to healthcare in San Antonio.

FROM THE FOUNDERS: THANK YOU!

2023 COMMUNITY EVENTS HIGHLIGHTS

- 5K AT FAITH CHURCH
- HEALTH FAIR AT FAITH CHURCH
- H.E. BUTT FOUNDATION MEETING
- UNITE SA EVENT
- EVERY CHILD BELONGS
- HEALTHCARE THINK TANK
- WHEATLEY HEIGHTS COMMUNITY HEALTH FAIR

Thank you to all of our volunteers who joined us at the UNITE SA event, (<https://unitesatx.com/>) where we connected with other ministries and Kingdom businesses.

We also were invited to participate in San Antonio's Healthcare Think Tank. We made great connections and met healthcare leaders in our city.

We were very grateful to host a health fair at Faith Church and serve our community. We were able to connect people to much needed resources.

We were able to serve our community at the Every Child belong events and advertise our healthcare services to those in need. Special thank you to Rebekah McKay for the invite.

*Matthew 5:16
Let your light so shine
before men, that they may
see your good works, and
glorify your Father which is
in heaven.*
