

The community gathers at our new clinic on E. Southcross.

GREETINGS TO ALL!

By the Founders, Dr. Hussein Musa & Dr. Adetoun Musa

An Eventful Year. 2026 has been a year of open doors. We successfully opened our clinic! A dream years in the making now has a home at 4025 E. Southcross, and patients are walking through the doors every week.

Serving the Community: This year we have made tremendous strides. We have hosted a total of 14 clinic dates, providing basic primary care free of charge for those in need. We have participated in three different health fairs across the city.

New Partnership: We have partnered with CBC to help bring awareness to the community about our new clinic on the Southside. Thank you so much, Community Bible Church, for your support!
