Building Bridges, Expanding Care: 2025 Highlights

Thank you to all of our volunteers that have provided their time and talents to serve the community.

Community Service: We performed our first community health fair combined with a sports camp. Our collaboration with Baskfitball International has allowed us to serve the community with health services and inspire children to consider careers in health care!

Marriage Workshop Fundraiser: Thank you to Life Share Church for allowing us to host a marriage workshop fundraiser. Healthy relationships are critical to a healthy life.
