

The Kingdom *REPORT*

HEALTHCARE SYSTEM

GREETINGS TO ALL!

*By the Founders, Dr. Hussein Musa
& Dr. Adetoun Musa*

Our first nonprofit clinic was originally named the Deliverance Free Clinic and was open from 10/2018-03/2020. Together with our wonderful team of volunteers we were able to serve our community by providing free medical exams, medication refills, prayers, counseling and free food. We had the joy of being the hands and feet of Jesus by serving those in need. We were able to create a unique healing environment that patients were drawn to.

FROM THE FOUNDERS: THANK YOU!

- SUMMER/FALL HIGHLIGHTS
- PASTOR'S APPRECIATION LUNCHEON
- NEXT HEALTH FAIR: DECEMBER 10, 2022

In January 2022 God expanded our vision and we started to build The Kingdom Healthcare System. We aim to provide low cost access to primary care to all people.

We have recently partnered with AGORA Ministries and hosted a health fair in August 2022. Participants received information to improve their health and prayer.

Thank you to all of our volunteers who made this event a success. We are grateful for your willingness to serve others.

Dr. Hussein Musa and Dr. Adetoun Musa at the Pastor's Appreciation Luncheon hosted by AM 630 The Word. It was a wonderful opportunity to honor and to meet so many servant leaders and Kingdom workers.
